OF IT ALL.**

ACADEMIC INTERNAL MEDICINE PHYSICIAN

The **UAB Montgomery Internal Medicine Residency Program** is actively seeking a **General Internal Medicine Clinician Educator** to join our full time faculty. We are a community-based residency program with strong ties to the main campus in Birmingham. As part of the UAB Montgomery Regional Medical Campus we train 3rd and 4th medical students in addition to our 27 internal medicine residents. This position is ideal for a BC/BE internist who has a strong commitment to medical education and excellent patient care. This faculty position is non-tenure earning. Academic rank and salary will be commensurate with experience. Competitive salary, incentive compensation, and participation in an excellent retirement program are included in the employment package. This position is available to begin June 2022.

Successful applicant will join the full-time faculty providing some outpatient care, in resident clinic, and 6 months of inpatient care at Baptist Medical Center South (BMCS). BMCS is the largest tertiary referral hospital in the Central Alabama, with five adult critical care units and over 50,000 emergency room visits per year. Through advanced technology, professional expertise and an exceptional level of personalized care, Baptist Medical Center South is the comprehensive resource for family healthcare in central Alabama. Known for its outstanding cardiovascular, orthopedic, neurology and surgical services, Baptist Medical Center South is home to skilled and dedicated physicians, nurses and staff. The hospital offers residents of central Alabama an accredited sleep disorders center, a regional neonatal intensive care unit, a chest pain diagnosis and treatment center within the emergency department, an addictive disease/emotional health treatment facility and family centered maternity care. The BMCS leadership has a strong commitment to medical education and provides outstanding care to our patients.

Located in central Alabama, Montgomery is 164 miles southwest of Atlanta, 92 miles south of Birmingham, and 155 miles north of Mobile and the Gulf of Mexico. Montgomery is a city of approximately 205,000 people making it the second largest city in the state. In addition to being a historical city, Montgomery offers a variety of recreation including a AA baseball team affiliated with the Tampa Bay Rays, the Alabama Shakespeare Festival, Museum of Fine Arts, zoo, amphitheater, and a wide range of shopping opportunities. Lake Martin is located just northeast of the city providing residents with endless hours of boating, fishing and swimming. Many take advantage of activities at the beach being only 2 ½ hours north of the Gulf of Mexico.

UAB is an Equal Opportunity/Affirmative Action Employer committed to fostering a diverse, equitable and family-friendly environment in which all faculty and staff can excel and achieve work/life balance irrespective of ethnicity, gender, faith, gender identity and expression as well as sexual orientation. UAB also encourages applications from individuals with disabilities and veterans.
